

Archangel Stones, Meaning and Healing Properties

There are 15 known archangels and each is associated with a gem stone and a colour. It is believed each of the stones gives off the vibration similar to the archangel related to it and its colour. By carrying the stone and holding it, a person is able to invoke the help of the archangel. Each archangel has assigned power in universe and authority over creation animals and humankind. Understanding what help each archangel can provide you can invoke them. The stones constant vibrational frequency will help balance and realign your body to the angel frequency bringing comfort, help and peace of mind. Also other similar stones related to an archangel can be used, see below.

You can use any of the archangel or gratitude stones to invoke your guardian angel for help comfort when you need it. Simply find a quite place light a candle and say I invoke you archangel, or angel (say name) to help me .etc and say thank you and greet with an open heart of love and gratitude holding your stone having complete faith, trust and confidence you will receive a response and help will come, if you feel a warm feeling of peace and calmness you will know your angel is in your presence, relax and hold out your hand and allow the angel to guide your mind and thoughts to answer your request and speak to you. See books by Diane Cooper for more information on angels.
